

CURRICULUM VITAE OF OBED THABANG SELOANA

CAREER OBJECTIVE

Enthusiastic and adaptable recent university graduate with a Bachelor of Science in Mathematical Science, majoring in Mathematics and Computer Science. I am familiar with basic programming concepts and languages such as C++, Java, HTML, and CSS developed through university coursework and academic projects. Eager to gain practical experience and grow in areas like software development, data analysis, cybersecurity, databases, and cloud computing. Open to internships, learnerships, and entry-level roles where I can learn from experienced professionals, contribute to team goals, and build a strong foundation for a career in the IT industry.
